FREE COMICS!

Do we have your attention? Good! We have an unbeatable offer to make you. How would you like to receive 10 free comics each month? It can be done. All you need do is become a member of the Mile High Comics N.I.C.E. Collectors Club. The cost is very little to join and over the course of a year you can receive as many as 120 free comics. Over 10,000 comics collectors have used N.I.C.E. during the past 12 years, so this is not just a come-on. This offer is for real.

N.I.C.E. (New Issue Comics Express) is a service that provides collectors a look over the world with new comics from all the publishers. We accumulate all the titles our members are seeking and mail them to their chosen address in a sturdy box. Members can either save postage by having their new comics shipped once a month, or can select a frequency of once a week. But with either option, they are guaranteed to receive their comics in brand new condition. And members of N.I.C.E. can qualify for discounts of up to 40% off cover price on their new comics. Those savings can more than offset the cost of postage.

So how do you qualify for the free comics? It's easy. Just sign up for a minimum of ten monthly titles, and you'll be given the option of having ten back issue titles (four choices) shipped to you with your regular shipment. The only cost is the nominal additional postage. We can make this offer because we have over 5,000,000 back issue comics in stock, and some we simply don't need. So our excess is your great deal. Also, by becoming a member of N.I.C.E., you get the right to buy back issue comics from our huge catalogues for 20% off list price. This is such a great deal that many collectors join N.I.C.E. just to get the discount. They buy enough back issues that their discount savings make their new comics subscriptions free.

Would you like more information on how to join? Just call our toll-free number.
